

# **RULE UPDATE**

*Effective 4/10/26*

- **Designated work area time is (2) caution laps on the pace truck from the time the driver reaches their pit stall. Work area time is only given during the first half of A-Main event(s) to lead lap cars and is only available for flat tire(s). When the race leader reaches the halfway point of the A-Main, work area guaranteed time will no longer be given. Work area guaranteed time is limited to (1) one occasion during any event. Any additional work area trips will not have guaranteed time.**
